

Sponsorship Proposal

A faint, grayscale world map is visible in the background of the slide, centered behind the title and subtitle.

Private International Law and Dispute Resolution Mechanisms

A thin horizontal line spans the width of the slide, centered below the subtitle.

 Date

February 17-19, 2025

 location

French University in Armenia

Introduction

Program Objectives

This program provides a comprehensive overview of private international law and dispute resolution mechanisms, combining:

- Theoretical Knowledge: Gain insights into the principles, frameworks, and regulations governing private international law.
- Practical Applications: Understand how these principles are applied in real-world cases across various sectors.
- Interactive Learning: Participate in workshops, case studies, and networking sessions led by field experts.

With its diverse and interactive approach, this cohort equips participants with the skills to navigate complex legal landscapes in international settings

Project Background

Resolve Academy, founded in 2024, is dedicated to addressing the evolving needs of legal professionals and organizations in Armenia and beyond. Our mission is to empower the next generation of legal professionals and support Armenia's integration into the global legal community through innovative programs, research, and training. The Winter Cohort is a vital step in this direction, designed to equip participants with cutting-edge legal expertise and practical tools to navigate the complexities of international law and dispute resolution.

This program is not only an educational endeavor but also a platform for fostering collaboration between academic institutions, legal professionals, and corporate stakeholders, ultimately contributing to the development of Armenia's legal infrastructure and economic growth.
